

SALONE DEL MOBILE 2019

100 YEARS

Carpanelli is a family company that has its roots in the artistic craftsmanship of wood and in high-level cabinet making. A long tradition of craftsmanship: the company is "Bottega d'Autore" since 1919 when it was founded by Giuseppe Carpanelli, known and appreciated cabinet maker.

The sons, Luigi, Clementina and Leopoldo in the second generation have valued the things done by their father, leading Carpanelli to be one of the most recognized and appreciated companies in the Italian classic furniture scene.

The third generation with Giuseppe, Angelo and Daniele has gathered the witness of a glorious historical reality enhancing the "added values" that have always been recognized in the Carpanelli Style, trying to interpret the challenging challenges that arise today in the world of furniture, revolutionized by changes of lifestyles imposed by the digital revolution.
